600L SINGLE STORMWATER PUMP STATION 82610

AQUAFLOW 600L STORMWATER PUMP STATION 2L@6M/S

PRODUCT CODE:

82610

PUMP CODE:

82170 - Zoeller WU88

FEATURES:

- / Australian made
- / 250L,450L,600L inlet capacity
- / Lightweight & small footprint
- / Pre-plumbed ready for installation
- / Anti-buoyancy and self-anchoring design
- / 100% factory tested
- / Oil encased motor for heat dissipation
- / IP54 or IP56 rated controller
- / Pre-installed nylon pump lifts for safe and ease of maintenance
- / Ideal for stormwater and grey water applications
- / Low noise operation

DIMENSIONS:

1200mm H x 1150mm W

WEIGHT:

70kg

MATERIAL:

PE Low/Medium Density

APPLICATIONS:

Single Dwellings
Houses
Pump-away applications
Basement pump-away
Civil developments
Residential apartments
Industrial complexes
Garage and sheds

COMPLIANCES:

AS/NZS 1546.1.2008 Certified
